Year 9 Trial Exam Timetable 2024 – North Band

The Year 9 Trial Exam Timetable follows a student's normal timetable. Therefore, examinations will take place during normal lesson times in timetabled classrooms. E.g. Period 5 Thursday – most students will have a Geography or History lesson at this time. If it is History they will have a History exam, if Geography, a Geography exam, etc. If a student takes History and also studies Geography then this will take place when they normally have Geography or History lessons (in Option block 'O').

	Tuesday 7th May	Wednesday 8th May	Thursday 9th May	Friday 10th May

Normal lessons will continue throughout the exam week when students do not have exams, as some subjects will not be setting exams and will need to continue with coursework and others will need to continue to deliver the GCSE courses. Therefore, it is important that students complete regular revision at home to ensure they are well prepared for each exam.
